## INVITATION

*The Romanian Society of Ethnopharmacology (SRE)*  
has the pleasure of inviting you to  
*the 7<sup>th</sup> Ethnopharmacological Symposium*  
with International Participation

whose topic, Ethnopharmacology and Health,  
invite us to reconsider the Romanian folk tradition  
through the outstanding results of scientific  
researches in the field of bioactive compounds with a  
major impact on maintaining health.

### Main topics:

- Essential oils - technologies, quality, uses, results - in Aromatherapy and Nutrition
- Vegetable fatty oils - in Nutrition and Phytotherapy
- Gemotherapeutic products - new pharmaceutical forms in Phytotherapy and Nutrition
- Medicinal and aromatic plants in Romanian traditions - from traditional medicine to therapeutic products and food supplements. Monographs for vegetal medicinal products used in folk medicine.
- Technological, laboratory and clinical studies in promoting bioactive compounds.
- Performances and limits in Phytotherapy and Nutrition.
- Food supplements and new regulations in the European area for the *food - medicine* border products.
- Genetically modified organisms - present and future.

We are inviting you to attend at our symposium with your valuable research works and we thank for your commitment to the goals of our association.
