INVITATION

The Romanian Society of Ethnopharmacology (SRE) invites you at:

ANNIVERSARY SIMPOSIUM *Romanian Ethnopharmacology on its 20th anniversary*

Main topics:

- *Ethnopharmacology - principles and achievements*
- *Medicinal and aromatic plants in folk medicine (correlated with customs, traditions) and current specific problems in spontaneous flora and culture*
- *Scientific studies and confirmations of therapeutic action (in traditional medicine plants)*
- *Raw materials from traditional medicinal plants (technology and quality) and specific monographs (herba, flos, radix, cortex, aetheroleum, tincture, etc.) - correlated with the Pharmacopoeia in force*
- *Pharmaceutical products, food supplements, functional foods, cosmetics - based on traditional medicinal herbs and national and European laws for marketing promotion*
- *Actual results obtained by physicians and practitioners in Phytotherapy, Aromatherapy, Apitherapy, Nutrition, Gemotherapy, and other complementary therapies*
- *Phytomedicine and the role of the doctor in promoting it as therapy and prevention*
- *Laboratory equipment and modern, high-performance technological installations*
- *Practical Guide for Phytotherapy, Aromatherapy, Nutrition Course proposals for practitioners*

To initiate collaborations, we propose stands with raw materials, products, equipment, installations
